

**Second Monday  
Environmental Film Series  
Tap Out: The  
Documentary**

Monday, September 12th 6-8 PM  
Robert Scott Small 235

Join us for a screening of "Tap Out: The Documentary" to learn more about the water quality issues facing the Carolinas. The film follows CofC students as they investigate the state of the Catawba River. A discussion after the movie will feature documentary participants including Environmental Studies Graduate Program director Dr. Timothy Callahan and CofC grad student and member of the film cast, Nick Wallover. Refreshments will be provided. For more information, please contact Dr. Tracy Burkett ([burkett@cofc.edu](mailto:burkett@cofc.edu)).
